WP (Civil) No. 03 of 2007 (S/S).
HON'BLE PRAFULLA C. PANT, J.

Heard. Urgency application allowed.

Also heard on admission.

By means of this petition the petitioners have challenged their transfer order. The impugned order dated 04.12.2006 appears to have been passed transferring the petitioners on administrative grounds. From the papers on record it is further revealed that there were certain complaints against the petitioners. The petitioners are transferred within the same block of district Almora.

In the circumstances this Court is not inclined to interfere with the impugned order. The writ petition is dismissed in limine.
